MÉDOC SEASONAL WORKERS GUIDE

THE MÉDOC

Parc
naturel
régional
Médoc

"Winegrowing, agriculture and tourism are all vital economic sectors in the Médoc, and since they are highly seasonal, almost 21,000 seasonal workers are employed every year across the region.

In order to assist you with your visit to the Médoc, the Médoc Parc Naturel Régional (PNR) (Regional Natural Park) and its partners Région Nouvelle Aquitaine, Department of the Gironde, DIRECCTE (Regional department of businesses, competition, consumption, work and employment), CAF (Family benefits agency), MSA (Welfare agency for agricultural workers) and ANEFA Gironde (National agricultural training and employment association) offer you this guide which will enable you to access basic services you may need."

INFORMATION ON YOUR RIGHTS

Agricultural workers

What does it do ?

The role of the Mutualité Sociale Agricole (MSA) is to :

- manage all social welfare for agricultural workers (farmers, employees, pensioners and their families).
- prevent occupational risks and monitor the state of health of employees and farmers with occupational medicine.
- ensure access to care and the coverage of health expenses.

The MSA in the Médoc

FINDING A SEASONAL JOB

If you are looking for a seasonal job in the Médoc, you can find offers on the following sites :

<https://www.pole-emploi.fr/accueil/>

<https://www.missionlocalemedoc.fr/offres-d-emploi>

<https://www.lagriculture-recrute.org/>

The Gironde ANEFA (National Association for Employment and Training in Agriculture) :

- will pass on your contact details every week to all employers in the Gironde who are recruiting seasonal workers
- receives weekly job offers with employers' contact information

To benefit from this, register on the seasonal workers list by completing the following form(s) on gironde.aneфа.org :

- [Canopy management in the vineyard](#)
- [Maize and field crops](#)
- [Market gardening](#)
- [Harvesting](#)
- [Vine pruning](#)
